

How the plan works

1. Calculate your monthly instalments by using the instructions provided.
2. Complete the white boxes on the application form, and ensure that you sign the Direct Debit instruction.
3. Return the completed application form to The Ticket Office, Fulham Football Club, Craven Cottage, Stevenage Road, London, SW6 6HH.
4. Start date is the 1st of the month after receipt of this application form and monthly thereafter.

5. The information and bank details you provide on this form will be passed to our instalment provider, Football Credit. They will send you a welcome letter detailing their full terms and conditions and commence collection of your instalments. A credit agreement will be included to sign and return.
6. Your credit limit will be a minimum of £1,500.

Calculating your Instalment Plan Repayments 2010/11

You may choose to pay your Season Ticket over the course of 6 or 9 months. Your monthly and total instalments can be calculated as follows:

6 Month Plan

If you would like to pay for your Season Ticket in six monthly instalments the service charge adds 5.4% to the total amount of your Season Ticket.

To calculate your monthly instalments:

- Multiply the cost of your Season Ticket with 1.054. This will show you the total amount that you will be paying back
- Simply divide the total amount by 6 to obtain the monthly instalment for the 6 month plan.

Example

If your Season Ticket costs £285, your monthly instalments will be as follows:

- $£285 \times 1.054 = £300.39$ (total amount)
- $£300.39$ divided by 6 = $£50.07$ (monthly instalment).

Written quotations available on request. **(Typical 29.1% APR Variable)**

9 Month Plan available until 31.07.10

If you would like to pay for your Season Ticket in nine monthly instalments the service charge adds 5.8% to the total amount of your Season Ticket.

To calculate your monthly instalments:

- Multiply the cost of your Season Ticket with 1.058. This will show you the total amount that you will be paying back
- Simply divide the total amount by 9 to obtain the monthly instalment for the 9 month plan.

Example

If your Season Ticket costs £285, your monthly instalments will be as follows:

- $£285 \times 1.058 = £301.53$ (total amount)
- $£301.53$ divided by 9 = $£33.50$ (monthly instalment).
